OUR PLATFORM

The celumns of this newsya per are dedicated to the principaes of the Democratic party as enunciatedt by Thomas Jefferson and Andrew Jackson, practiced by Grover Cleveland and immortance by Woodrow Wilson.

We commend and affirm the 1920 and respectfuly assert to the contorate that it is essential to the national and state well being that all the Democratic nominebe actively supported in the coming campaign.

As member publishers we concur in the foregoing declared platform of the Southeast Misso uri Press Association

SOCIETIES DEBT

TO THE RIMINAL Quite frequently some criminal pays the penalty, for violating the statues of the state, with his life.

The newspaper announce that such an one has paid his debt to society attention. Society demands that the scales of justise be balanced. A life has been taken. A life must be given. 2 tregularity in the bowel move-A bank was plundered. Society de. ments makes you feel uncomfortable mands reprisal. Someone must serve and leads to a constipated habit a long prison term. Such are the demands of society

When a criminal steps into the electric chair and 25,000 volts of FEW OF ABORIGINES LEFT electricity are sent through his body , or when the trap is sprung that Black Men of Australia Passing Away sends him out into space with a noose about his neck, he has, so far as society is concerned, paid for his transgressions. He is forever beyond pearing. Numbering about two hunthe reach of society. He has paid his dred thousand a hindred years ago.

But just at this time arises the question: "Has society paid its debt impoint the testal and war costumes to the criminal? Some time, somewhere, somehow, in the criminals problem, but the weight of research life has not an entry been made that seems to point to the race having a has not been balanced? Has not some if this be true, the bloodbrothers of debt been made by society that has not been paid. Has society come into silli rated as one of the lowest of hocount, to demand recompence, with higher than the figure three, and when clean hands? The answer to the last found by the white men possessed of question must invariably be no.

Sometime, somewhere, society has fallen down, has failed to function, The men have here hated in the past has become lax and dilitory. It is for their wenderful tracking shifting true that society has passed laws. Teen exestent, have been found to be made provisions for enforcing them. Provisied with an almost annual thembuilt playgrounds and made numerous other provisions. But there is a a wanderful weapon known to only one something lacking.

family. Perhaps on the threshold of carth-Detout News. young manhood or young womanhood. Society has demanded this man's life and has placed the curie Boys Snicker, and the Incident la of Cain on the brow of his off-

How long ere society will recog-How long before society will take tion largely given over to feminishity. and nurtese them instead of sending them to a life of crime.

Our penal institutions are minamed. Few men ever repent of marry so. A class of schoolgirls sees their crimes behind prison walls, something which arouses their risi

there are a number of future crimnals in our midst. What are we doing to aid them to avoid a fife of crime. We are shocked, horrified to learn gis at the me nery. It must be said, that a young man, 22 years old, who had never before left the parental home for an indefinite period, was at least two to make a giggle,-Exkilled in an attempted holdup in company with a hardened criminal. Yet in view of societies neglect, is If you know any news call this not what is to be expected? Is it not the natural turn of events.

THE MARBLE HILL PRESS pit not time that parents should wake p, should are se themselves and ecome aquainted with conditions? What is to be expected when parents wink at one another over the battle. When parents keep poisoned whiskey in their cellars or brew their alchoire beverages in violation to the constitution of the United States? Is it not time for the law respecting, law abiding citizens to arise and say it is enough? We send to public office men who are reputed to be violators of the law, if the blind lead the blind, how shall they avoid

There is now, and for some time past has been, a well organized system of bootlegging in Bollinger County. Officials have winked at the law. Open violations of law have passed unnoticed. Grand juries have been wet, deidely wet. Prohibition national and state platforms of in Bollinger county has been a joke.

The worst of it all is that our present generation of young men, boys who could be a blessing to the world, are being victimized by these

An ounce of prevention is worth . many pounds cure. There is no cure for crime known but suppression of llict liquor traffic will have a farreaching effect! Society can pay its debt to the criminal only by seeing that he has a clean and wholesome atmosphere in which to spend the days of his youth. Then, if in later years, society has occasion to appear as plaintiff against the criminal, she and soon the matter is lost to public may do so with comparatively clean

Marshmallow Fudge. If your marshmallows get a little stale before using up, try making marshmallow fudge. Put two cups granulated sugar and one cup milk to a saucepan and let the mixture come to a boil. Add one squire and a balf sherolate grated and two tablespoonfuls butter. Cook about ten minutes, then remove from the fire and best until the fudge gets rather stiff, but not so stiff that it will not pour easily Break marshmallows into several pieces, place in the bottom of a dish and pour the fudge over them.
